ABSTRAK

Penelitian ini bertujuan untuk mengetahui pengelolaan dana desa dalam peningkatan kesejahteraan masyarakat di Desa Donowarih. Penelitian ini menggunakan metode Kualitatif. Pengumpulan data dilakukan melalui wawancara, observasi, dan dokumentasi dengan Kepala Desa, Tokoh Masyarakat dan Badan Permusyawaratan Desa. Metode analisis data dilakukan melalui beberapa tahapan, yaitu reduksi data, penyajian data, dan penarikan kesimpulan. Hasil penelitian ini membuktikan bahwa pengelolaan dana desa di Desa Donowarih dapat memberikan kontribusi terhadap peningkatan kesejahteraan masyarakat. Melalui pembangunan infrastruktur desa seperti pembangunan jalan yang mempermudah masyarakat dalam menjalankan aktivitas ekonomi. Selain itu, keterlibatan masyarakat dalam musyawarah dusun maupun musyawarah desa juga menjadi faktor penting dalam menentukan program pembangunan yang sesuai dengan kebutuhan masyarakat.

ABSTRACT

This study aims to determine the management of village funds in improving community welfare in Donowarih Village. This study uses a qualitative method. Data collection was conducted through interviews, observation, and documentation with the Village Head, Community Leaders and the Village Consultative Body. The data analysis method was carried out through several stages, namely data reduction, data presentation, and drawing conclusions. The results of this study prove that village fund management in Donowarih Village can contribute to improving community welfare. Through the development of village infrastructure such as road construction that makes it easier for the community to carry out economic activities. In addition, community involvement in hamlet and village deliberations is also an important factor in determining development programs that are appropriate to community needs.
